

### **Coastal Cleanup Day Coordination: Update**

The Delta Protection Commission, in cooperation with several Yolo County entities, will again sponsor cleanup activities at the Yolo County public fishing access at Clarksburg (North Delta) as part of California Coastal Cleanup Day (Saturday, September 16, 2006, from 9 a.m. to noon).

In an effort to expand the Commission's participation in cleanup activities throughout the Delta for this year's event, Commission staff has been coordinating with Coastal Cleanup Day coordinators in Solano and San Joaquin Counties.

Commission staff anticipates that in addition to sponsorship of the Clarksburg site, the Commission may also be sponsoring cleanup activities at the following locations:

- Rio Vista waterfront (public fishing access and boat launch) (Solano County)
- Hog Island (San Joaquin County)

Discussions with the coordinators associated with each of those sites are ongoing, and staff is in the process of determining the feasibility of sponsorship of these sites, in terms of the number of volunteers expected to participate at each venue.
